

## **Announcement**

### **Neuromuscular Research Association Basel (NeRAB)**

NeRAB supports basic and clinical research on neuromuscular disorders.

Qualified applicants, both at junior or senior level are encouraged to apply.

Projects will be judged both on their scientific merit and feasibility.

Conditions for Grants 2021.

Because of financial restrictions due to the COVID pandemic, we will consider in 2021 only applications for regular grants up to SF 20'000 per year.

Please consult the guidelines for grant application at [www.nerab.org](http://www.nerab.org)

The deadline for the next application is March 31st, 2021. Applicants will be informed about grant awards by June, 2021.
