Dear participants,

We are delighted to invite you to the scientific event “Alpine **MG-SPHERE** FORUM 2026”, which is aimed at neurologists from Austria and Switzerland. At this event, we will discuss the latest findings on the diagnosis and treatment of generalised myasthenia gravis.

The event will also address the burden of disease and the role of fatigue in MG, highlighting recent therapeutic advances in the treatment of MG. **Finally, interdisciplinary case discussions brought along by the participants will be discussed.**

In order to maintain the interactive character of the event, we would like to ask you to bring your own case for case discussion. You can expect interesting presentations from the following speakers:

- Prof. Dr. med. Andrew Chan (CH-Bern)
- PD Dr. med. Bettina Schreiner (CH-Zurich)
- Prof. Dr. med. Fritz Zimprich, PhD (AT-Vienna)
- Prof. Dr. med. Sabrina Sacconi (FR-Nice)
- Prof. Dr. med. Jan Lünemann (DE-Münster)
- Prof. Dr. med. Anna Rostedt Punga (SE-Uppsala)

We are excited to welcome you to this insightful training and look forward to your participation.

Yours sincerely,  
Your UCB team
