## Invitation: Webinar OCT in Continuing Education

### Introduction to OCT for Neurologists

Dear neurologists,

The OCT Task Force of the SNS wants to introduce OCT and its applications in neurological diseases to all interested colleagues. The concept foresees 2 webinars in 2026, with focus mainly on clinical applications and including practical guidance and illustrative examples/cases. The webinars should promote interaction among interested neurologists (presentation / discussion / Q&A).

### Webinar in English Language:

**Thursday, June 11, 2026 | 17:30 hrs**

**Tuesday, September 15, 2026 | 17:30 hrs**

**Duration of the seminars: 60 minutes**

### **Speakers:**

SNS Task Force Members

### To register (online registration is mandatory).

We look forward to welcoming you to our webinars.

With kind recommendation,

**Swiss Neurological Society & SNS Task Force OCT in Continuing Education**
