Annual meeting and general assembly of the Swiss Movement Disorders Society

Thursday, December 18th 2025, from 13h15 to 17h45
Hotel Kreuz, Zeughausgasse 41, Bern

**General assembly from 18h00 to 19h00,
only for SMDS Members**

Dear Madam, dear Sir and dear colleagues,

We are pleased to invite you to the Annual meeting of the
"Swiss Movement Disorders Society".

The first part of our annual meeting 2025 is dedicated to the
biological diagnosis of Parkinson's disease and possible upcoming
disease modifying treatments.

The second part of the meeting will put the focus on Ataxia. From
the approach to a patient with ataxia, genetic ataxia and acquired
ataxia will be covered.

For both topics we are very grateful to have renown national and
international speakers.

This year, our annual meeting will take place on site in Berne
(Hotel Kreuz).

Prof. Dr. med. Georg Kägi
President SMDS

Prof. Dr. med. Stephan Bohlhalter
Vice President SMDS
