We are pleased to invite you to our webinar on CIDP. Three experts will highlight different aspects of CIDP, focusing on diagnosis, current knowledge and new findings, as well as case studies, including treatment with IVIG and SCIG.

To participate in the webinar on September 30, 2024, please register using the QR-code or the link below.

<https://www.dreicast.live/cslbehring/mediservice-theramed/>

Do you have a specific question about CIDP?

Ask the experts in advance in the registration form and they will be happy to discuss it during the webinar!

Program

Time	Title	Speaker
17h00–17h05	Welcome and Introduction of Speakers	Chair: Prof Marie Théaudin, PhD; Centre hospitalier universitaire vaudois, CHUV
17h05–17h30	Decoding CIDP: Diagnosis and Navigating Challenges	Dr Susanne Renaud, PD; Réseau Hospitalier Neuchâtelois, RHNe
